
Job Description

Rocky Mountain Gastroenterology (RMG) is looking for a Nurse Practitioner or Physician's Assistant to work in their **Centennial Office**. GI experience would be a plus! This is an opportunity to join one of the premier GI groups in the region and work with the finest physicians and staff in the Colorado. RMG offers a competitive salary with amazing company benefits, including medical, dental, vision, short-term disability, life insurance, voluntary insurance products, PTO, holiday pay and 401K after 90 days of employment with a safe harbor contribution.

Must be able to pass pre-employment background check and drug test.

Job Title: Nurse Practitioner or Physician Assistant

Position Summary: This position is a mid-level provider with current certification/licensure in the State of Colorado. This position will be responsible to fill the standard expectations of a Advanced Practice Provider in a GI setting, but not limited to direct patient care in both the inpatient and outpatient setting.

Position Accountabilities:

- Manages the health care of a select group of patients as directed by RMG physicians.
- Performs a comprehensive health assessment, including health history, physical exams, preventive screening; identifies medical health risks and needs.
- Formulates the appropriate differential diagnoses based on clinical evaluation.
- Performs, orders and/or interprets diagnostic studies within scope of practice.
- Performs advanced technical procedures within scope of practice.
- Plans and implements therapeutic regimens that include both nursing and medical management strategies, including prescription of medication/devices. Includes obtaining and maintaining prescriptive authority.
- Establishes systematic follow-up for the evaluation of the plan of care and reassesses and modifies the plan as necessary.
- Assures patient and family teaching is adequate to manage the illness or wellness plan at home.
- Participates as a team in providing healthcare, interacting with professional colleagues to provide comprehensive care as a responsible professional.
- Maintains accurate, legible and confidential records and ensures appropriate billing process is followed for all patients.
- Maintains competency and enhances professional growth and development through continuing education, conferences and seminars. Shares knowledge obtained through these functions with staff in a formal setting. Participates in self-directed continued learning, including quality improvement and protocol development.
- Supports and upholds RMG policies, procedures, objectives, mission, quality improvement, safety, environment and infection control and codes/requirements of accreditation and regulatory agencies.
- Maintains positive behaviors, approaches, attitude and commitment to interpersonal service toward patients, visitors and/or co-workers.

Minimum Qualifications: NP or PA certification—Licensed to practice in the State of Colorado. **Preferred Experience:** 2-4 years GI experience. **Competencies Required:** BLS/CPR, ACLS, IV Certification Required experience:

Job Type: Full-time
